

November 2024

Room 2

Hello Families,

Welcome to November! This month is full of fun activities for the children to enjoy! We will start the month making ornaments for the Boise Festival of Trees! Our theme this year is Montessori Materials. Pre-mont will make sandpaper letters. If you visit the event, be on the look-out for cute little pink and blue letter ornaments on the Montessori Academy tree! More information to follow.

Next, we will be reading the book *Stone Soup*. In honor of the story, we will have a community lunch where we discuss sharing, kindness, and how important it is to spend time together. I will be posting a signup on the parent board for families to bring in ingredients for the soup. We will be making the soup in class and enjoying it for lunch!

And lastly, I wanted to thank you for taking the time to speak with me about your child. Parent/teacher communication is a crucial aspect of primary education. It really helps create a positive and supportive learning environment. It was a pleasure getting to know all of you.

This month's focus is on table manners, food preparation, kindness and sharing.
