

OCTOBER HIGHLIGHTS

Montessori Academy Eagle | 1400 N Park Ln Eagle, ID

Wax Museum

Our Elementary students presented their Wax Museum projects this month. This project is a multi-step research project wherein each student chooses an impactful historical figure, reads and researches their life, accomplishments, and impact in their community. Students then create a poster highlighting their historical figures life, memorize a speech, and put together a costume as they bring their figure to life.

Farmstead, Primary Costume Parade & Kiss the Pig

Toddler and Primary age students put on a costume parade and our school watched Ms. Aryn kiss a pig at our Fall Assembly! We also had fun at Lowe Family Farmstead- we had 130 tickets sold between the 4 campuses!
