

November 2024 Newsletter

IMPORTANT DATES

Dear Room 1 Families,

As our fall temperatures continue to drop, please bring a set of gloves and winter hats to keep for your child at school as we will continue to play outside in the chilly mornings!

November's shelf works will reflect the following units of study in addition to our current cycle of work:

Color: Yellow

Shape: Triangle

Animal: Birds

I will also be introducing lessons on food preparation this month as an addition to our practical life curriculum. I will be providing a sign up sheet on our door for ingredients that are class-safe for all of our current students.

As Thanksgiving approaches, I would personally like to express my gratitude for our special little group here in Room 1; working with your children and watching as they grow in the classroom is a great privilege and I am so honored to be a part of this community!

-Miss Julia
