

December 2024

Room 3

Dear Families,

As we continue through the holiday season, we will learn about different cultures, their holidays and how they celebrate. We will continue our discussion on the importance of giving and being thankful.

As we all know it can be stressful this time of year. Children can feel your tension. Please try and take time to slow down and enjoy special moments of the season with your child.

The cold weather has arrived. Please ensure that your child is dressed appropriately for all recess conditions. All your child's belongings (jackets, hats, mittens, boots and snowpants) should be labeled with their name. Snowpants are only needed when there is snow on the ground.

On **Friday, December 20th** Primary and Pre-Mont classes will perform songs for their families in their classrooms. We have staggered the performance times to accommodate those families with siblings. Our class time is at **9:35**. After the performance, you are welcome to stay and socialize with other families. Please look for a *Signup Genus* in your email for this event. If you are leaving with your child after the performance, please let a teacher know. For those children staying until 12:30, we will eat lunch as usual.
