

December 2024

Room 6

Hello Families!

December is such an exciting month both at home and in the classroom! This month we will be studying the continent of Europe, the origin of many of our modern holiday traditions. We will discuss the various winter holidays and how they are celebrated around the world. We will read the story of The Nutcracker, listen to the music and learn about the different instruments that compose the orchestra. Lastly, we will study the parts of the poinsettia plant and learn about amphibians.

Our class will also be performing a few holiday-themed songs on December 20th at 9:55am. Parents and family members are encouraged to come watch! After our performance you are welcome to stay and socialize with other families. Light refreshments will be available in Room 5 until 11 a.m. At this time, you can take your child home or you may leave them here until 12:30 p.m. We will be eating lunch as usual. More details about the refreshments to come.

I am looking forward to another great month!

Sincerely,
Ms. Amanda
