

December 2024

Room 7

Dear Families,

As the year comes to a close, our classroom is filled with excitement, curiosity, and joy for the holiday season. Here's a look at what we've been working on and what's ahead this month!

- **Cultural Studies and Science:** This month, we are exploring layers of the earth. The children are learning about the winter solstice and experimenting with science activities.
- **Practical Life:** Students are practicing gift-making as part of our focus on giving and gratitude.
- **Language & Literature:** We are reading holiday-themed stories and writing about our favorite winter traditions.

Holiday Celebration:

Please join us as we tell a winter story, share a snack and make crafts on Friday, December 20th at 8:30 a.m.

Reminders:

- Please ensure your child comes dressed appropriately for the changing weather. We will go outside on snowy days.
- Backpacks & homework folders are needed every day.
- Everyone should have outdoor and indoor shoes at school.

Note of Gratitude

Thank you for your support and involvement this year. It has been a joy to watch your children grow, learn, and embrace the Montessori spirit of independence and discovery.

Wishing you and your families a peaceful and joyful holiday season!
Warm regards,

Maria Anderson
