

December 2024

Room 8

Hello Lovely Families,

Our Stone Soup play was wonderful success! We are so proud of our students. They worked hard and spent a lot of time practicing their lines. As a result, they looked comfortable on stage and gave a great performance. Thank you to all who attended.

Our Stone Soup Lunch was a fun celebration of community. We all enjoyed the delicious food lovingly prepared. David was lucky enough to find the stone in his soup. Good luck is his for a year!

As the year comes to a close, we will have a winter solstice celebration December 20 at 8:30. Please join us as we tell a winter story, share snack and make crafts.

As we head into the colder months, please ensure that your student comes dressed appropriately for the changing weather. We will go out on snowy days. On Coyote Club day, students **must have** gloves, hat, coat, and boots in order to attend.

Our community service project, *Rake-up Boise*, was a lot of fun! It made the students feel so good to help others. This month, we will continue reading to primary students at Montessori Academy Meridian. Stay tuned for information on a community service project to a humane society.

Because of the December 20 half-day. Spirit Day this month will be Thursday, December 19. We will be wearing pajamas and having hot cocoa on the 19th.

Ms, Aryn
