

January 2025

Elementary

Hello Our Lovely Families~

A new year is upon us, and in this new year, Ms. Maria and Ms. Aryn are so excited about combining classrooms in order to make our elementary community stronger both academically and socially.

We are so excited for what the new year is going to bring with new lessons! Math is going to take off with Ms. Aryn as we focus on subtraction, division, order of operations, and cube rooting. Grammar will be taught by Ms. Maria highlighting the nine grammar symbols, sentence analysis, and verb tenses. Ms. Aryn will engage our students in writing with WWW (Wednesday Writers Workshop) and introducing descriptive writing using lots of great adjectives. Upper Elementary will be having their first vocabulary test over Greek and Latin roots; this will be homework practice in addition to iReady, typing, and Book Club.

Please keep in mind the change in weather as they we continue Coyote Club: gloves, hat, coat, and boots are required to attend.

Stay tuned for more information on our community service project to the humane society this month for Upper Elementary students. We will also continue our monthly Book Buddies community service as our students read to primary students at Montessori Academy Meridian. Lower Elementary will be headed to BAM (Boise Art Museum) on January 22nd.

Our Spirit Day will be Friday, January 24th bringing in the new year with cool glasses, glitter, and silver! Yay for 2025! It's going to be a great year, indeed.
