

February 2025

Room 2

Hello!

Welcome to a fun February! We have another new family joining our Pre-Mont classroom. Please welcome Beck Jones. With Beck, we are now a classroom family of 10!

After drop-off on February 5, we invite you to join us in room 5 for a Montessori math curriculum journey. This event will showcase the progression of math materials in the Montessori classroom. You will be able to see the many materials children have access to as they move from Pre-Mont through elementary. I hope to see you there!

In the classroom this month, we will be talking about our 5 senses. I will be doing some group lessons and sharing fun activities. We will dive into letter sounds and work on them throughout the school year. We will continue to work on using our words to communicate strong feelings. We will talk about being kind to each other and asking for help when feeling frustrated. Also, I will be posting a list of songs we have been singing in class on Transparent Classroom.

Ms. Kelly and Ms. Mily

This month we will be focusing on letter sounds, Valentine's Day/being kind, social/emotional skills and the 5 senses.
