

April 2025

Room 2

All School Bulletin

Happy spring!

This month we will be talking about all the wonderful things that spring brings. We will focus on flowers, baby animal names, and the weather. I have also prepared a fun art project about the seasons.

April 22nd is Earth Day. Please bring in a **SMALL** outdoor plant. We will plant them together in a big planter outside. The children will water their plants and, hopefully, watch them grow over the next few of months.

Parent/Teacher Conferences are April 24th and 25th. There is no school on those days. Childcare is available for your timeslot only. I'll be posting a sign-up sheet soon!
